

Lead the Field

Simplicity™ GoDRI™

HERBICIDE

Simplicity GoDRI vs. Simplicity

Clean fields lead to higher yields. That's why farmers trust Simplicity™ GoDRI herbicide. The GoDRI formulation offers the same trusted performance as Simplicity in a convenient, easy to mix formulation. On June 13, 2018, Castor Colony put Simplicity GoDRI to the test. Here are the results:

	Simplicity™ GoDRI™	Simplicity™ HERBICIDE
+ of People to mix:	1	2
Time to Load:	1:28	3:02
Efficiency Improvement:	4x	-
Acres per Package:	320	80
Group 2 Grass Control:	✓	✓
Full Re-Crop Freedom:	✓	✓
#1 Grass Brand in Wheat:	✓	✓

Source: June 13, 2018: Castor Colony Castor, AB. 160 ac Loads.

Why use Simplicity™ GoDRI herbicide?

Superior Performance: Simplicity continues to be #1 in wheat, with elite grass and broadleaf weed control.

Rotational Freedom: Simplicity GoDRI provides outstanding, easy to use Group 2 control of grass weeds with full re-crop freedom.

Wide Application Window: The only Group 2 wild oat product that can be applied up to flag-leaf emergence.
